Step into this beautiful very well maintained home in a quiet community on a tree lined street. Enjoy water view from the family room, master bedroom and terrace. Open and spacious layout featuring a split bedroom floor plan for privacy. Very large closet and master bathroom featuring shower and tub. Eat in kitchen with breakfast nook and stainless steal appliances. Completely tiled for easy maintenance, freshly painted with plenty of natural light. Accordion shutters for hurricane protection. This home is in turnkey condition ready for a family to call it home. Low HOA Fee. Very close to excellent restaurants and shopping. This one is a MUST SEE and priced to sell.
